

SEMICON[®] INDIA

SEPT 11-13, 2024 | INDIA EXPO MART

Exhibitor Updates (May Issue)

Thank you for your participation in the first edition of SEMICON India from 11 – 13, 2024!

Starting in May, we will send you monthly email to update you about the show and help your preparation go as smoothly as possible. We would like to begin by telling you that the SEMICON India official website is now live at www.semiconindia.org.

Please feel free to browse. We will keep updating the website as more information becomes available. Now let's dive into the highlight of this May issue.

Getting a visa letter and plan your travel

Please visit [Travel & Hotel page](#) to learn more about getting visa to India. You will also find a list of partner hotels here when ready.

Online Exhibitor Manual (OEM)

OEM will be open by end of May. You could order extra furniture and services here. We will also make an announcement when OEM is open on SEMICON India official website under [Exhibitor](#). To access OEM, please log in to your account on [MMI Connect](#). In addition, you will also get a separate email from MMI Ops team to remind about floor bearing capacity and other booth construction-related info.

Payment Reminder

Please note that **40% payment is required to secure your booth location**. We may have to release your booth location if the 40% down payment is not received on time. In addition, **100% payment must be received by July 26**. Thank you for your attention about the payment timeline. Please contact semiconindia@mm-india.in if any questions about payment status.

Shell Scheme Upgrade Options

For those exhibitors who purchased shell booth, please visit [Exhibit now page](#) and go to the Shell Scheme package section. You will find the **Stand Package Form** which contains the upgrade options. Please return this form by **Aug. 1**. If MMI doesn't receive this form by the deadline, a default basic shell scheme will be built for you.

For General Inquiry, please contact:

International inquiry: SEMI semiconindia@semi.org

Domestic inquiry: MMI semiconindia@mm-india.in
