

AGENDA

Day	Time	Duration	Session Title	Theme	Topics Covered	Format	Speaker	Company
18-Sep-26	10:00-10:30 AM IST	30 mins	Inaugural Address - Women Enabling the Silicon Decade	Opening / Women's Leadership in Semiconductors	Opening of the Women in Semiconductor Track; India's semiconductor opportunity; enabling women's participation and leadership across the ecosystem	Welcome and Special Addresses	1. Jaya Jagadish	AMD
18-Sep-26	10:35-11:35 AM IST	5 mins per leader/ 1 hour	Leadership Journey - Lessons from Women Leaders in Semiconductor	Prabha - Thought Leadership, Role Models and Conversations	Leadership journeys; career progression; lessons from building careers in semiconductors; navigating challenges; creating impact	Leadership Conversations	1. Radhika Viswanathan 2. Malini Narayanamoorthi 3. Roopashree HM 4. Alpa Sood 5. Chitra Hariharan 6. Viji Ranganna 7. Bishnupriya Bhattacharya 8. Suchismita Banerjee 9. Rituparna Mandal	Applied Materials India Pvt Ltd Renesas Electronics Texas Instruments Teradyne Renesas Electronics Google Cadence Design Systems AAGYAVISION Immensa Semiconductors
18-Sep-26	11:50-12:35 PM IST	45 mins	Workplace Success Scenarios	Prerna - Motivation, Workplace Success and Professional Growth	Real-world workplace situations; communication; navigating professional challenges; confidence; speaking up; career development	Role Play	1. Amulya Kulkarni 2. Arbab Kausar 3. Kankana Karkun 4. Pavan Desiraju 5. Supriya Sharma	Renesas Electronics Texas Instruments NXP Semiconductors Sandisk Synopsys Inc
18-Sep-26	12:45-1:45 PM IST	1 hour	Networking Lunch	Networking and Connections	Professional networking; peer and industry connections; informal interaction with leaders and participants	Networking	—	—
18-Sep-26	1:50-2:35 PM IST	45 mins	Women in the Technical Ladder & R&D	Prajna - Career and Growth in Engineering and Technology	Building long-term technical careers; deep technical expertise; R&D leadership; technical career progression; opportunities and challenges for women in engineering	Panel Discussion	1. Ms. Rituparna Mandal (Panel moderator) 2. Dr. Anasua Bhowmik 3. Dr. Padmini Gopalakrishnan 4. Prof. V.S. Kanchana Bhaaskaran 5. Ms. Nithya Raghavan	Immensa Semiconductors AMD Agrani Labs Vellore Institute of Technology CaretEDA, Inc.

Day	Time	Duration	Session Title	Theme	Topics Covered	Format	Speaker	Company
18-Sep-26	2:40-3:25 PM IST	45 mins	Women in Manufacturing	Prajna - Career and Growth in Semiconductor Manufacturing	Career pathways in semiconductor manufacturing; women in operations and manufacturing leadership; skills and opportunities across the manufacturing ecosystem	Panel Discussion	1. Bhavna Madhwal (Panel moderator)	Tata Electronics
							2. Olga Bershadskaya	ASML
							3. Christy Sarte-Bautista	CG-Semi
							4. Radhika Viswanathan	Applied Materials
18-Sep-26	3:45-4:45 PM	1 hour	Prerna - Speed Mentoring for Women Engineers	Prerna - Mentoring, Networking and Career Development	Career guidance; technical and professional development; soft skills; confidence; leadership; learning needs; work-life balance; networking and speaking up	Speed Mentoring	1. Jaya Jagadish	AMD
							2. Dr. Anasua Bhowmik	AMD
							3. Dr. Padmini Gopalakrishnan	Agrani Labs
							4. Chitra Hariharan	Renesas Electronics
							5. Nithya Raghavan	CaretEDA,Inc
							6. Roopashree HM	Texas Instruments
							7. Suchismita Banerjee	AAGYAVISION
							8. Rituparna Mandal	Immensa Semiconductors
							9. Rashna Seli Zaroo	STMicroelectronics
							10. Bishnupriya Bhattacharya	Cadence Design Systems
							11. Viji Ranganna	Google
							11. Prof. V S Kanchana Bhaaskaran	Vellore Institute of Technology
